## DIRECTIONS

**LOCATION:** Perlz Beads & Yarns, 3970 Main Street, Kelseyville CA 95451  
Phone & Fax (707) 279-2080

### ROUTE 1:

*Scenic with no mountain roads. But avoid this route during rush hour traffic in Santa Rosa. With no traffic, allow 2.5 – 3 hours for your first trip, if coming from the Bay Area.*

1. Take 101 North through Santa Rosa to Ukiah.
2. Just north of Ukiah, take the exit to HWY 20 / UPPER LAKE.
3. Turn right onto CA-29 South towards Lakeport and the west shore resorts.
4. You'll see a sign saying Kelseyville Turn off (Merritt Road).
5. Turn left onto Merritt Rd (second left; about 4 miles from Lakeport).
6. Follow Merritt to the stop sign and turn right onto Main St. Follow Main Street as it crosses the bridge into town. Perlz is on your left. Parking is free!

### ROUTE 2:

*Hopland shortcut over the mountains. With normal traffic, allow 2.5 hours if coming from the Bay Area.*

1. Take 101 North through Santa Rosa to Hopland.
2. Turn right in Hopland onto HWY 175 Follow over the mountains.
3. Turn right at the stop light onto CA-29 South towards Lakeport and the west shore resorts.
4. You'll see a sign saying Kelseyville Turn off (Merritt Road).
5. Turn left onto Merritt Rd (second left; about 4 miles from Lakeport).
6. Follow Merritt to the stop sign and turn right onto Main St. Follow Main Street as it crosses the bridge into town. Parking is free!

### ROUTE 3

*Scenic Drive through Napa. Short drive over Mt. Helena. Allow 2.5 – 3 hours if driving from the Bay Area.*

1. From your location, find the nearest route to HWY 29 north to Napa.
2. Follow HWY 29 through Calistoga and over Mt. Helena.
3. At the stoplight in Lower Lake, turn left to continue on HWY 29 north.
4. In approximately 14 miles, you'll see a sign saying "Kelseyville Business District 1/4 mile Ahead".
5. Turn right onto Main Street and follow it as it curves left into town.
6. Perlz is on your right, across from Darlings Vitamins. Parking is free!

If you are familiar with the Silverado Trail through the scenic Napa wine country, you can take it as it parallels much of HWY 29, and avoid traffic in St. Helena or Yountville. Turn right at the stop sign in Calistoga onto Lincoln Avenue to connect to HWY 29 to go over Mt. Helena to Kelseyville.

On average, from the Bay Area, your first trip to Lake County can take 2.5 – 3 hours. As you become familiar with the roads, however, the trip can take less time. Whichever route you choose, leave time for the unexpected and to enjoy the beautiful views of the wine country.

If you are sensitive to curvy roads, and opt for either routes 2 or 3 above, we recommend bringing candied ginger or ginger ale. Ginger is soothing for the stomach and helps with car-sickness.
